dam: Hella VG-88
 Photo: Alex Arkink

- LINZ is a son of the popular Dragomir, from the extreme high component cow Hella VG-88, from a very reliable long living high type family that always has great udders
- Breeding values look promising in the areas of type & udders; the survival is most exciting
- One would expect long lasting cows that are a pleasure to milk

ARMALIBU

Name: Malibu
 NASIS: 93UUF03
 Breeding: Degn x Orraryd x Zion
 Born: 9-7-2009
 Breeder: German Genetics International, Germany
 Sire: R Degn
 Dam: Germany VG-86
 Dam Prod: 48m 12.024L 3.6%P 436kgP
 4.2%F 500kgF 305d
 MGS: Orraryd
 MGD: Canada EX-90

\$12
 RRP +GST

MGD: Canada EX-90
 Photo: Alex Arkink

- MALIBU is a Degn son from the popular Germany VG-86, then back to the pinnacle of type, Canada EX-90, this pedigree provides the mix of elite type & production
- MALIBU is a maternal brother to the David son LADYKILLER
- Like LADYKILLER, we expect top end type & production; MALIBU also brings a massive total index

ARABSMO

Name: Mo
 NASIS: 93UUF02
 Breeding: Didolum x Baldo x Zamba
 Born: 23-12-2009
 Breeder: German Genetics International, Germany
 Sire: Didolum
 Dam: Helga VG-86
 Dam Prod: 60m 9.404L 3.8%P 364kgP
 4.9%F 464kgF 304d
 MGS: Baldo
 MGD: Fallerie GP-84

ABSMo
 Photo: Alex Arkink

- ABSMO has a pedigree full of components and profit - 3.8% protein & 5.0% fat with large volume makes Helga VG-86 a highly sought-after bull mother
- The family has generations of high milk, long lasting cows
- The pedigree index suggests type & udders will also be at the top level, making ABSMO the complete package!

ARNOUGAT

Name: Nougat
 NASIS: 93UUG02
 Breeding: Linne x Baldo x Walter
 Born: 22-8-2010
 Breeder: German Genetics International, Germany
 Sire: V A Linne
 Dam: Hella VG-89
 Dam Prod: 64m 8.924L 3.7%P 334kgP
 4.9%F 395kgF 305d
 MGS: Baldo
 MGD: Francka VG-89

\$12
 RRP +GST

Nougat
 Photo: Alex Arkink

- NOUGAT is an outcross Linne son from an amazing family line, with the 2 nearest dams, Hella & Francka both classifying VG-89 with outstanding production
- The pedigree index also points towards cows with high milk volume that last many lactations
- NOUGAT is also a low Holstein pedigree

GGLADYKILLER

Name: Ladykiller
 NASIS: 93UUF01
 Breeding: David x Orraryd x Zion
 Born: 19-5-2009
 Breeder: German Genetics International, Germany
 Sire: V R David
 Dam: Germany VG-86
 Dam Prod: 48m 12.024L 3.6%P 436kgP
 4.2%F 500kgF 305d
 MGS: Orraryd
 MGD: Canada EX-90

\$12
 RRP +GST

dam: Germany VG-86
 Photo: Alex Arkink

- A David son from the popular Germany VG-86, LADYKILLER is a maternal brother to the Degan son MALIBU
- Added to the extreme type & production in this pedigree, it also includes improvement in health traits, especially survival & reproduction
- This is a low Holstein pedigree
